

FT-AM02

Audio Microphone

Monitoring range: | 10-100sqm (adjustable)

Working voltage: | linear power supply (transformer) DC 9-12V

Supply current: | 20mA

Output impedance: | 600 ohm non equilibrium

Frequency range: | 100-100 KHZ

Connecting mode: | red (power+) black (public) white (audio+)

Application: | sea kang, dahua, hanbang and video recorder

Size: | 76mm*76mm*39mm

Weight: | 52g
