

## FT-AM04

### Audio Microphone

---

Bug range: | 5-100 square meters

---

Operating-voltage: | 6-12VDC

---

Voltage: | linear power supply (transformer) dc 9-12 v

---

Supply current: | 20mA

---

Output impedance: | 600 ohm non equilibrium

---

Frequency range: | 100-100 KHZ

---

Frequency response: | 100-5500Hz

---

Connecting mode: | terminal

---

Application: | sea kang, dahua, hanbang and video recorder

---

Size: | 70mm\*70mm\*39mm

---

Weight: | 32g

---
